

NOTICE OF PUBLIC FIELD TRIP
of
THE OFF-HIGHWAY VEHICLE ADVISORY GROUP
(OHVAG)
of
THE ARIZONA STATE PARKS BOARD

Notice is hereby given to members of the Off-Highway Vehicle Advisory Group (OHVAG) and the general public that the Committee will hold a field trip open to the public on **Saturday, November 3, 2007 beginning at 8:30 a.m. at Standard Wash staging area, 5 miles south of Lake Havasu City, Arizona** pursuant to A.R.S. § 41-511.22. Group will travel by jeep, ATV, motorcycle, or other suitable vehicle for rugged off-highway travel. Visitors must provide their own suitable transportation. Be prepared for all weather conditions. Temperature should be in the mid-70s (degrees Fahrenheit). Bring water and snacks. Wear proper safety gear dependent on type of vehicle (e.g., helmet, long sleeve, pants, boots, gloves). Ride should conclude at approximately 1:00 p.m. No official action will be taken.

Directions: Standard Wash staging is located on the east side of Highway 95 near mile marker 172.4 approximately 5 miles south of Lake Havasu City. Look for a "Standard Wash" sign.

Destination: Standard Wash is popular for four-wheel drive, dune buggy, motorcycles and other off-highway vehicles. Scenic and challenging routes provide the opportunity to access remote mining sites high on the Mohave Mountains where the views are literally for a hundred miles. Deep sandy washes wind their way through rugged mountains where you may see desert bighorn sheep or shy coyotes.

A copy of the agenda background material provided to the Committee is available for public inspection at Arizona State Parks, Resources Management Section, 1300 W. Washington, Phoenix, Arizona. Additional information may be obtained by contacting Ruth Shulman at (602) 542-7822.

Persons with a disability may request a reasonable accommodation such as a sign language interpreter, or this document in an alternative format, by contacting Karen Farias, at 602-364-0632. Requests should be made as early as possible to allow time to arrange the accommodation.
